

Automotive/Restoration Club of Sun City West
A 501 (c) (3) Organization and a Charter Club of the Recreation Center of Sun City West, AZ

Dear Raffle Sponsor:

Thank you for considering donating a raffle item for our February 15, 2014, Car Show/Swap Meet. As you ponder participation, please keep in mind the following advantages, privileges and opportunities your donation affords you:

1. Your name and logo (if provided) will be displayed.
2. You may donate anything of value (preferred value of \$20.00 or greater).
3. There will be public recognition for your donation.
4. You receive our deepest thanks for supporting ARC.
5. Your donation is tax deductible.

If you have questions about your participation and donation, please contact me, Tom Jones, President of ARC. I can be reached via phone at 503-887-3430 or email at jonestk@aol.com. Also, for your records and upon your request, we will provide you a W-9 showing our Federal Tax ID along with our 501 (c) (3) designation for the Automotive/Restoration Club of Sun City West. Because we are a charity, that means your donation is tax deductible. I have enclosed some information that will explain what we have done for other charities during 2013 and what we have planned for the years to come.

With all of the planning that has gone into this event, it promises to be a Show and Meet you will be proud to endorse! We invite you to join us on February 15, 2014, and see us in action!

Sincerely,

Tom Jones

President, ARC

Revised 12-22-13

Automotive/Restoration Club of Sun City West a 501(c)(3) Organization

Philanthropy

Along with our passion for cars, is our passion for others. ARC is committed to making a difference in our world through sharing our knowledge and giving back.

Some of our recent activities include:

March 2013

The American Cancer Society's Relay for Life was held in Beardsley Park in Sun City West. ARC members had their own team along with a booth. In order to raise money for cancer research the ARC members displayed their vehicles, obtained donations and even gave rides in their 1901 Oldsmobile.

ARC has many members who have been diagnosed with cancer and are currently undergoing treatment. Other members are cancer survivors, but unfortunately, there are some who have passed on. The goal of this event was to celebrate more birthdays through giving to cancer research.

Old Olds keeps rolling

Herb Clark, president of the Automotive Restoration Club of Sun City West, gives Ruth Klepitsch a ride in his 1901 Oldsmobile at the March 17 American Cancer Society Relay for Life event at Beardsley Park. The event raised more than \$20,000 to help fight cancer. Visit restoration.scwclubs.com for more information on the ARC club.

p.m.; Dancing 2-5 p.m. Music by Varitones. Menu: honeycoriander roast pork loin; chicken kiev; kugells; peas, carrots, onions; baby field greens with grape tomatoes; rolls and butter; coffee and dessert. Members \$13; guests \$15. Reservation deadline April 16.

from the casino. For information and reservation call 546-8118.

VETERANS

1ST MARINE DIVISION ASSOCIATION, PHOENIX

June 2013

ARC is currently partnering with Make-A-Wish to help bring the wish of cancer patient Zane Childress come true. Karen Pelten from Make-A-Wish contacted Herb Clark, ARC President, about helping them and Zane with a special project. Zane is just 15 and has been battling cancer since he was two years old. As Karen states, "When I called Herb, there was no hesitation and you immediately went into action."

As our members work together to get Zane's 1972 truck running for his 16th birthday, it will be a labor of love to diagnose, troubleshoot and restore the truck to running order. It is also an opportunity to teach others what it takes to get this vehicle "**On the Road Again**" (see our "**On The Road Again**" program). In addition, this will be a tribute to Zane and to all of our club members, friends and family who have been diagnosed with cancer and are battling the disease... There Is Hope!

Zane Childress

July 2013

In cooperation with the Sun City West Firefighters Charities, ARC, along with Long Realty-West Valley, Hole 'N One Coffee Shop, Sun One Coffee Shop, Sun Devil Auto and the Sun Dome Merchants are working to put together a benefit Car Show, Breakfast with Santa and a chance to Dunk Santa on July 27, 2013.

FOR IMMEDIATE RELEASE
8 A.M. MT, July 01, 2013

Christmas in July Fundraiser

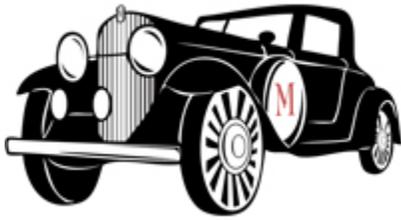

(SUN CITY WEST, AZ), (JULY 01), 2013- The Automotive/Restoration Club of Sun City West (ARC of SCW) is joining forces with the firefighters of the Sun City West Fire District, Long Realty–West Valley, Hole 'N One Coffee Shop, and the Sundome Merchants to host a Christmas In July Car Show on Saturday, July 27, 2013, from 7:00 a.m. to 11:00 a.m. in the Long Realty parking lot located at 13551 W Camino Del Sol in Sun City West. The entire event has been developed to help provide shoes, socks and toys to youth this Christmas. All donations will go directly to the Sun City West Firefighters Charities for the Community Fill-A-Need project who will then purchase the shoes, socks, and toys to present to the children of the Dysart School District this Christmas.

Please join our efforts to ensure that the event is a success and that the children have a Merry Christmas. We have planned the day to include a car show with a People's Choice trophy, pancake breakfast with Santa, and the opportunity to dunk Santa (or a firefighter) in a dunk tank.

For additional information on sponsorship, please contact the Sun City West Fire District at 623-584-3500.

Proudly serving the communities of Sun City West, Coldwater Ranch, Corte Bella, Cross River, Dos Rios, Rancho Cabrillo, Rio Sierra and other unincorporated portions of Maricopa County.

Martin Auto Museum

Dedicated to the preservation of collectible
& rare automobiles for educational purposes

17641 N Black Canyon – Phoenix, AZ 85023

Our plans include partnering with Mel Martin owner/curator of Martin Auto Museum. This is a museum that is open to the general public and houses an amazing collection of vintage and classic vehicles as well as memorabilia. You can take a virtual tour to catch a glimpse of how extensive this collection is by visiting their website at <http://martinautomuseum.com>. Our members will be volunteering to serve as tour hosts in order to share their knowledge and expertise with others as we strive to keep Martin Auto Museum open longer hours and more days.

They don't have halos or wings, but they are in Sun City West to help residents who need them. The Automotive/ Restoration Club, as a public service to the SCW residents, has formed a knowledgeable group of club volunteers who will be able to educate and assist local residents in many ways.

The **ARC Angels** will be headed up by Lauren Matley. Lauren has a lifetime of experience working with cars. Along with Lauren will be a large number of truly experienced "car people" willing to make a difference in the community.

The group was formed out of a need because the Automotive/ Restoration Club received several calls from SCW residents complaining they believe they had been taken advantage of by predators who look to take advantage of older people. Several of the calls were from widows who had sold their spouses' car. They explained a person called asking about the car from their ad in the paper. When they came out to "look at the car," they said the car was not worth anywhere near the price she was asking. After a lot of pressure, the widows gave in and sold the car for a few cents on the dollar compared to what they were worth.

ARC has also received calls from residents who felt they had been taken advantage of by a repair shop or car dealer. One elderly lady wanted her oil changed and was pressured into spending close to \$600.00 on repairs she probably did not need.

So, what will the **ARC Angels** be able to do? Herb Clark, Automotive/Restoration Club President, says the club is not repairing or fixing cars. ARC will offer the residents of SCW free education and advice on repairs, recommend reputable shops, give out free appraisals, and also put on free workshops to help the residents of the SCW community understand more about the upkeep and maintenance needed for their vehicles. Lauren Matley said, "Most importantly, SCW residents will have a place to go where people will listen, educate them and help!"

The new **ARC Angels** program can soon be accessed on the web at www.restoration.scwclubs.com. People interested in receiving help may also contact ARC by emailing scwrestorationclub@gmail.com.

On the Road Again

ARC is helping those who truly need assistance by getting their vehicle back in running order.

About "ARC of SCW"

The Automotive/Restoration Club of SCW, is on a mission to help others who might be having difficulty keeping their car road worthy. ARC has a large group of retired seniors who are willing to help those in need get their car up and running. Starting this Fall in the NW Phoenix area ARC will be asking the local churches to submit to us names of people/families that are in need of a little help.

Herb Clark President

Our highly skilled members will select a couple of cars and go through them to make them road worthy and safe for operation. We are working with local businesses like NAPA Auto Parts to make this possible. Those interested in applying for consideration should fill out the form attached and have your church submit it to our selection committee.

Our group of volunteers can do just about any type of repair. What does your car need to make it pass inspection, or make it safe to drive? We can fix wiring, electrical, brakes, carburetors, engines, radiators and etc.

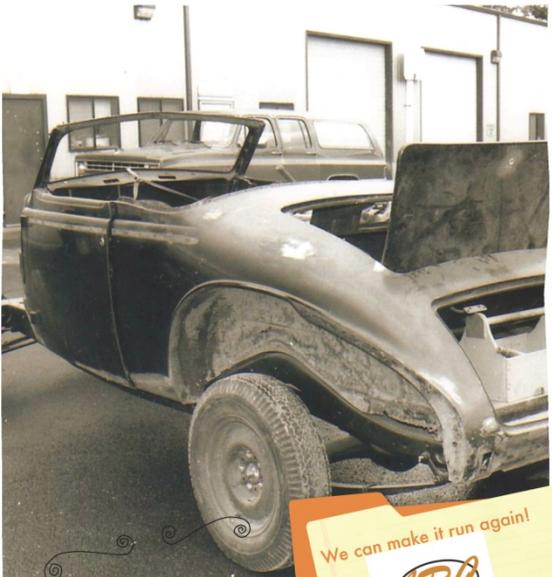

ARC is dedicated to making life a little easier for others "one car at a time." So if you have, or know of someone that could use our help, please let us know! It might be someone who

"On the Road Again"

Maybe we will fix your car for free!

Do you need help getting your car to run or pass inspection? Maybe ARC of Sun City West can help! ARC is offering to fix some valley area cars free for those who really need our help! Can we help you?

Contact Herb Clark via email: scwrestorationclub@gmail.com

ARC member, Tom Jones said it best when he said, *"Just knowing the difference this program makes in the lives of those who need it most makes it all worth-while. We want to be of assistance, share our knowledge and provide learning opportunities to others because we are blessed to be a blessing to others."*
