## ARC'S CHALLENGE!

Are you tough enough to do a "Little" Great Race?

Or, would you just like to compete for fun?

**Wednesday March 25th at 10 AM (Prior to Picnic)**

Three of ARC's members are competing in the **Big** Great RACE this Summer from St. Louis to Santa Monica. We have set up a Great Race type course for a practice test for them. The event will be open to the General Membership and their guests. Limited to 30 cars!

Extensive training will be conducted the day prior to the event. (Mandatory!)

**A TEAM CONSISTS OF A DRIVER & NAVIGATOR**
