#### **OLD BUSINESS:**

The Camino del Sol Car Show was a successful fund raiser as well as a nice time for those attending. Tom Jones let the members know we get paid to show our cars there.

ARC PICNIC: Thank you to John Dorssom and Ron Flannery for planning the ARC picnic this year. We had great weather and a good turnout. This year the picnic was also the end stop for the Mini Great Race.

WINNERS OF THE MINI GREAT RACE were 1st. place: Don Kloth and grandson, 2nd place: Tom and Suzanne "Sparky" Jones, and 3rd place: Dick and Beth Crabtree.

CHRISTMAS IN APRIL: Michael Bannon announced this event raised around \$1,964 .00 and thanked all involved in making this happen. Michael said the fire department would be able to help around 60 children in need this Christmas. The event experienced low attendance so some changes may be in store for next year.

MINI GOLF AT SCW: Tom Jones thanked the club participants for this fund raiser. ARC was able to help host this event held at Beardsley Rec Center for Relay for Life from Sun City Grand.

E-CARMONY: Bob Janis told the membership there were no requests at this time.

ASAR: Arizona School of Auto Refinishing has a request, if you or if you know anyone who worked for Chevrolet assembly during 1955-1959 to let Spencer Caldwell know. The next training session will probably start in the fall.

ARC BUILDING: The proposed interior of building plans were shown at the general meeting. At this time we are waiting for all the questions the county has regarding permits to be answered.

**NEW BUSINESS:**

HOSPITALITY COORDINATOR: Ron and Jan Carson have volunteered to head up this committee. Any member that would like to help Ron and Jan please contact them.

LARC's: Ladies, this a purely social gathering. We will have breakfast or lunch once a month.

The next breakfast will be at Birt's Bistro on Thursday May 14, 2015 at 9:00 a.m. Please let Jackie Meyer or Nan Janis know if you can attend as we must give Birts a head count as they provide us with a private room.

ARC's next monthly meeting is May 19, 2016.
