Tom suggested maybe Golf Carts in the car show. Decided No

Only Gold, Silver & Bronze sponsors will be on the T Shirts

Suggested to get the Car Show information on the ARC website

The most important method we have for getting information about the Car Show to the public is the Car Show Brochure. Decided to send the Brochure to last year's entrees by E Mail.

Advertising will begin 3 months before the Car Show

ARC member cars can be displayed in the car show with restrictions

Brad asked that we get traffic cones from same company that furnishes the generator. Will save trips to pick up these items

Vince showed the metal portion of the trophies for the We Mar car show

Lots of discussion on Motorcycles being shown at the car show. Wayne said he has 3 categories for motorcycle trophies now. Linda suggested we limit to 100 bikes. Suggested motorcycles be pre registered, fee to be \$15 including a black T Shirt especially for motorcycles. Wayne said he can get judges for motorcycles. Wayne will talk with the Harley Davidson store in Peoria about feasibility of getting motorcycles to show up. Chuck will have to determine if we have room and where to locate the motorcycles. It was suggested the lower, flat, part of the lot would be the best. Again up to Chuck.
