Today was the next to the last Car Show Meeting before the February 13, 2016 event.

Lauren Matley thanked all the volunteers that have helped to make the first three shows a great success and knows this one will be the best yet. Lauren is sure the weather will cooperate for his final show. Tom Jones will be the chair person for the 2017 car show. Lauren feels he is leaving the show in good hands.

Next Monday, the volunteers will meet to stuff the goodie bags.

Monday, February 22, 2016 will be the "after the car show" meeting.

Michael Bannon needs 15 to 18 A frame style boards for car show signs. Michael asked if any of the realtors or former realtors in the club could donate some. If not he hoped they could be made in the wood shop in next week.

Chuck Ulbricht introduced Art Ortega. Art is replacing Dick Ratell. Chuck said he is short volunteers and also needs a couple more volunteers to work the courtesy cart. Cart shifts would be three or four hours.

Lauren reminded everyone that Friday, the day before the car show, is a busy day and a lot of help is needed in set up. Please come help if you can from noon to five.

Break out meetings were held today.

Next Meeting February 8th at 10:00 AM in Shuffle Board Room
