

### Automotive/Restoration Club Of SCW

A Charter Club of the Recreation Center of Sun City West, AZ

A 501 (c) (3) Charity

Dear Donor:

"I wish I could drive my dad's old pickup truck" said Zane Childress to the Make-A-Wish Foundation. Enter the Automotive/Restoration Club (ARC) of Sun City West which is a 501(c) (3) nonprofit organization that is devoted to making a difference in the community. ARC made the young man, who is afflicted with cancer, an honorary member and restored his pickup while he underwent treatment, with the reveal coming at the Barrett-Jackson Auction. ARC is a chartered club in Sun City West that provides programs which benefit Sun City West residents and young people in surrounding areas. The impact of the club reaches beyond its membership and extends to the whole community.

A sub-group of the club, called the "ARC Angels," focus on philanthropic and neighborly acts. They assist SCW residents in vehicle related issues such as possible diagnosis of vehicle problems and providing residents with second opinions on likely car repair and cost. They assist in disposing of vehicle related parts and tools following the death of a spouse, and provide information on car values and methods for selling cars.

Lest you think ARC is just about tinkering on cars, think again. In addition to regular car shows, cruise nights and tours, the club will field five cars in The Great Race, the annual cross-country rally open to pre-1972 cars and trucks. In addition the ARC provides educational programs for the community, and provides educational programs and mentoring to Dysart High School. ARC is also assisting in preparing a 1967 Mercury Cougar that the Dysart High School is entering in the X-Cup Category of the Great Race for high school students.

ARC is proud to offer you/your company a unique opportunity to have a personalized brick paver, or tile engraved and installed in the car display area of our facility acknowledging your company as providing support to our efforts in the community. Sponsoring a brick or tile places your name in a location where thousands of visitors will see it each year.

The cost of an 8"x 8" brick with six lines of text with a maximum 20 characters per line is \$250. The brick is able to accommodate company logos for an additional \$100.00. Each tile is 13" x 13" with 6 lines of text with a maximum of 20 characters per line and cost \$1000.00 per tile, and \$150.00 for a company logo.

We thank you for your consideration, and look forward to hearing from you in the near future. To order a brick or tile please see the attached brochure or visit us at the ARC building in the RH Johnson parking area off Meeker, or contact ARC at 623-518-3226 for further details.

Sincerely,

*Andy Schiestl*
