

Cruising to Mel Martin's Museum

This is a "Cruise In" you will not want to miss. All ARC members and friends are invited to join us as we "Cruise" from the John S. Chaney Restoration Center to Mel Martin's Museum. Here you will be able to look at approximately 80 of his museum cars on display. The one in this picture is a 1936 Ford Phaeton. **Mel has donated this car to ARC.** It is gorgeous!

We will leave the John S. Chaney Restoration Center at 1:00 PM, on Friday, March 11th. ALL CARS ARE WELCOME TO JOIN US! **There is a \$5 charge to see the museum.** The museum is located at 17641 N. Black Canyon, Phoenix, AZ. After the Cruise we will try to make arrangements at a local establishment for food and beverages (optional). Please sign up now so we can make arrangements!

Sign Up Sheet available at the John S Chaney Restoration Center
