Don Crumley, Rec Center, attended

Alex said he will help Rich with some PR info

Tom showed the advance add that Wemar handed out at car show. Looking into the idea that ARC should do similar advance add.

Suzanne presented the first draft of the brochure. Photo's of Arvid & Kay Peterson & Gary & Katie Ferguson will be included in the brochure recognizing them as gold sponsors. Comment that too much of Award Realty in the brochure as Award did not donate any monies and to some showed we had 3 gold sponsors. We have 2, Sun City Mechanical & Arvid & Kay Peterson.

Golf Car / Cart registration & cost will be the same as any other car

Awning will not be offered for rent this year. Awning will be used for gold sponsors & ARC activities

Vertical Flag signs will not be used unless they are donated.

Discussion on using Helium Balloons to draw attention to areas of the car show. No decision made.

The need to reserve the Rec Centers metal sign frames for the week before the car show was brought up by Don Crumley

Eileen Bannon said she will have Michael check with Church regarding using their electronic message signs for the car show.

Top five winners from 2016 car show were on a sample of the advance flier that maybe used.

Brad said costs of radios may increase.

Tom wants cost estimates for each activity, from committee heads, by the June meeting

Dave said he will not invite the Fire Dept or Branstads to be food vendors for next year. He is looking into replacements.

County regulations require 3 station sinks at food vendor locations. Don said the Rec Center has supplied plastic bins in the past, which seemed acceptable. It was doubted this would now be acceptable. Jackie said she will request the sinks from the Rec Center. Without sinks pastries ect must be pre wrapped at factory.

Don Crumley said construction of 8 pickle ball courts between the Men's club and the library will start in January. Just a heads up as this effects parking

Suggested to add info in brochure about construction at Bell & Grand. No action

Tom & Suzanne will email copy of forms needed for the car show. Wants any comments on these forms by the June meeting.

Car Show date is February 11, 2017
