Gary started the meeting asking about committee heads, who they are, will they return ect. All said they will return or share the duties with a new committee head. It was suggested and agreed that all committee heads should be working with / training their replacement. Each committee head should start a ledger / log of activities of all their duties. Many of the things done are not written, done from memory, which a replacement would not know or have access too.

We need a member to head up goody bags

Randy Robinson did a great job as liaison to area car clubs. Spreading the word of the ARC car show. Andy will try to get Randy to do this again this year.

American National Insurance wants to be involved in the car show in a big way. This is in progress

No ARC member cars in the car show, lack of room. Park cars at the shop.

Major complaint at car show was lack of T Shirts. Wayne will again be in charge of T Shirts, he needs an assistant. Agreed that no women's T Shirts, no small or medium size T Shirts. Number of T Shirts to purchase is undecided.

Andy will try to get the raffle car and tickets for the April 20th New Comers event

Andy said Sheriff's Deputies want \$40 per hour with a minimum of 4 hours. Decided not to use the Deputies. Get members to help direct traffic. ARC is not responsible for traffic on the streets, nor can we direct traffic on the streets. Responsibility of the Sheriff.

Jackie said we have to set and keep a date when the preregistration ends.

Brad suggested we may need only 10 radios

Brad will check with Sunstate for a Fork Lift. Also maybe use the metal clubs Fork Lift.

Gordon Carlson will be asked to manage the car raffle. He will need two assistants

Tom Jones will check with Ford Dealers about a car for the raffle

Eileen made a motion to set the car show budget at 15,000. Dave Eicke seconded. Approved
