NEW BUSINESS:

Suggestions from Tom on how to raise revenue

1. Golf Tournament or Putting Tournament. This was not received with much enthusiasm.

2. New Car Raffle. Tom explained that a dealer would supply a new Mustang GT. ARC would sell 1000 raffle tickets @ \$100 which equals \$100,000. Cost to ARC of the car would be about \$40,000 which would be paid at the conclusion of the raffle. So no upfront ARC monies. Result would be \$60,000 to ARC. Details of yet to be worked out, but a dealer is on board with the raffle. Motion by Tom Lundbom, Seconded by Randy Robinson to spend no more than \$40,000 of ARC raffle account monies. Motion Approved.

LOFT:

Walt Jefferson presented a sketch idea for the loft. This will provide approximately 1000 square feet of storage area. This will be for storage only. Motion by Randy Robinson, seconded by Paul Hunter to study this idea, get a cost estimate, feasibility ect and present to the next general meeting. Motion Approved.
